In G.O.Ms.2306 Education dated 30-8-51 Government approved the proposal that ten Local Body Secondary Schools should be taken over under Government management. Of these 10, four are from each of Tamil and Telugu Districts and one from each of the Districts of Malabar and South Kanara. I have accordingly selected the Board High School, Harpanahalle, which is in the Kannada area. In their Memo. referred to above it has been ordered that the question of taking over Board High School, Mulki, South Kanara District should be taken up immediately. I request to be informed whether it is the intention of Government to take over one more High School from the Kannada area as part of the scheme as shown in G.O.Ms.2306 Education dated 30-8-51.

In this connection I would invite attention to my letter C.No.1.2/61 dated 1-1-1961 wherein proposals were submitted for taking over the management of 10 more local body schools under Government during 1960-61. I also requested to be informed whether the question of taking over the Board High School at Kulithalai under Government management is to be considered as a part of the proposal submitted in my letter quoted above. I raise this query as in case Government approve the proposal of taking over 10 more schools during 1960-61, I have to take urgent action in selecting the names of the other schools to be taken over along with the Board High School, Kulithalai.

Yours faithfully,

In G.O. Ms. No. 2306 Edn. dated 30-8-51 the Govt. approved the proposal of the D.P.I. that 10 secondary schools under local bodies should be taken over under Govt. Management from the school year 1951-52. Orders regarding the transfer of management ~~of the schools~~ have been issued only in the case of 8 schools. ~~Orders~~ In these cases the transfer is to take place only from the dates of re-opening of these schools after summer vacation in 1952. The D.P.I. has suggested that the question of ~~transfer of~~ the Govt. taking over the management of the remaining schools ~~might be dropped~~ might be dropped in the current year.

In connection with the next year's Budget the D.P.I. has suggested that 10 more secondary schools under local bodies should be taken over under Govt. management. At the ~~suggestion~~ instance of the Finance Department the number of schools has been limited to 5, and the proposals are under consideration as a Part II Scheme for 1952-53.

p. 92 LF (X) & note on pp 33-35 NF (X)

3 ~~At the instance~~ Under the orders of H.M. (Agrl.) the D.P.I. was asked to take up the question of transfer to Govt. management of the Board High School at Mulki, South Kanara District with effect from the school year 1952-53. The D.P.I. now enquires whether the Board High School, Mulki should be taken over under the Govt. management in accordance with the proposals approved in G.O. Ms. No. 2306 Edn., dated 30-8-51 or whether the question might be considered as a part of the proposals submitted by him for taking over additional schools under Govt. ~~xxxxxx~~ management in 1952-53, which are being considered as a Part II Scheme for 1952-53 ~~that year~~.

(X)

4 It is not known whether the Part II Scheme will be accepted by Govt. and when orders will be passed on the

the matter. Even if the proposals are approved it may not be possible to effect transfer of management of the schools from the school year 1952-53. ~~As~~ the D.P.I. has been asked to take up the question of transfer of management of the Board High School, Mulki, ~~xxxxxx~~ with effect from the school year 1952-53, ~~the~~ intention seems to be that the Board High School, Mulki, should be taken over as ~~the~~ ninth school in persuance of the orders issued in G.O. Ms. No. 2906 Edn. dated 30-8-51. For orders whether the D.P.I. may be informed accordingly.

14/3/52

15/3

The original orders were that 10 local body secondary schools should be taken over by Govt. and run as Model Schools. It has not been possible to give effect to these orders in full evidently because the Dt. Boards in some cases did not agree to the proposed transfers. So, arrangements have been completed for the transfer of managements in 8 cases only, from the date of the re-opening of the schools after the next Summer vacation. If the South Kanara District Board agrees to transfer the school at Mulki, this may be the 9th school to be taken over by Government in next June.

The Director may be informed that the taking of the High School at Mulki may be under the Scheme already sanctioned (in which provision was made for the transfer of 10 Schools) and be asked to initiate action accordingly at once.
